"I know that a You can do all things, And that no purpose of Yours can be thwarted." (Job 42.2)

For Prayer:

- * Thanks for the arrival of our granddaughter, Valentina. Pray that the Lord would give wisdom to her parents (Samuel & Natalia) and guard them from all evil.
- * For Marcos & Estefanía, that the Lord would help them be able to coordinate their working hours.
- * For opportunities to testify to Jesus.
- * For the Activities of the Anniversary celebration of the Reformation.
- * For wisdom to manage to Abel's new responsibilities.
- * For the provision of colleagues to form a local team.
- * For the loneliness and isolation that overwhelms us from time to time..

Cherished brothers and sister, partners in the spread of the góspel:

We thank the Lord because you have been given to us as "partners in the journey." Thank you for your prayer and faithful support, that speak of you love and commitment to the Lord and His Kingdom.

Growing family

On the 9th of October our son, Samuel, and daughter-in-law, Natalia, were blessed with the birth of their first daughter, Valentina. We've become grandparents! That is, to say, we have lost all objectivity and can't help but go 'gaga' over her. Thanks the Lord because she is growing well and for the happiness she brings to our family.

New responsibilities

Given a change in ministry of one of our ECM colleagues, Abel has had to take on the role of Director of the Mobilising Team for Iberoamérica (the Spanish speaking countries). That adds much responsibi-

lity, travel etc. We ask for your prayer that the Lord will enable Abel, day by day, give him wisdom, and help him organise well his time, especially with the last stage of his Masters studies ahead - the Thesis.

Rafi's ministry

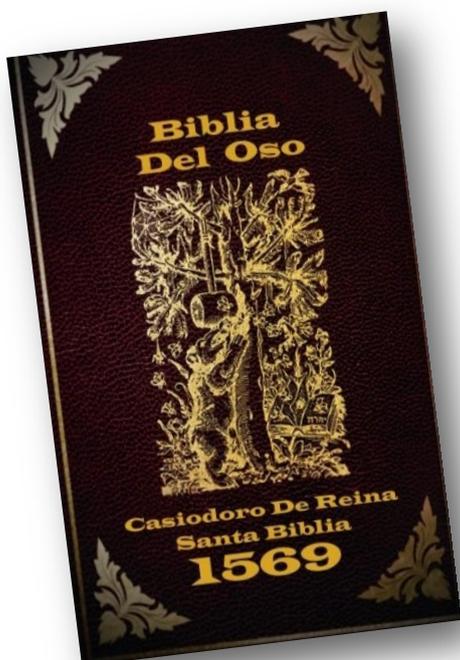

Rafi continues to participate in the 3rd Age University program, English classes, and volunteering with the Red Cross when needed. Ella sigue participando en la Universidad de Mayores, las clases de inglés, y la colaboración en Cruz Roja, always looking for opportunities to preach the gospel. The Lord gives us many such opportunities, but without 'visible fruit'. For Rafi this is especially difficult. We give

thank to the Lord that verses like Job 42:2 bring us comfort. Please pray that the Lord will help Rafi while she waits to see fruit and to break the 'chains of fear' that have people tied to traditions and put in their heart a restlessness to search for Him.

Reformation Anniversary 500

The celebration of this event provides us with a precious opportunity for evangelism. We have plans to give the Bible to all the people who are working in positions in local government. We are also thinking about the possibility of organizing again the English Workshop for the summer. Pray that the Lord will give us ideas for other activities that can be informative and have impact not only in the towns.
